

FOUNDATION SCHOLARSHIPS

Foundation Scholarships are automatically awarded to the top five finishers at the State Finals Rodeo for both High School and Junior High Contestants at \$100.00 each. The Foundation money is separate from the UHSRA Scholarship Program funds.

The Foundation awards carry over each year for any contestant placing in the top five in more than one year and the total amount earned will then be awarded following the senior year of High School.

To receive Foundation Scholarships students will need to mail or email, proof of College enrollment to the UHSRA Secretary.

Students can request checks to be mailed to either their home address or sent directly to the College upon providing an address to the Treasurer.

All checks will be made out payable to the College of choice.
